

The Wellesley Amateur Radio Society will hold its first meeting of the new season on Tuesday, September 24 at 8 pm. The meeting will consist of a short business session followed by a fascinating talk by "Ham of the Year," Dick Gregorio, K1RAW. He conducted literally thousands of phone-patch conversations between service men and their families and by his service was a significant factor in maintaining the morale of our men in uniform all over the world. Dick will speak on some of the interesting features of his phone-patch work.

The Wellesley Amateur Radio Society meets regularly on the second Tuesday of each month (except for September) in the clubroom in the basement of the Wellesley Hills Branch Public Library at the Junction of Routes 9 and 16. The public is cordially invited. Refreshments will be served.
